

Gallery Walk

Use Post-it® Notes and Post-it® Easel Pads to inspire discussion and explore ideas about novels and other forms of literature.

Supplies Needed:

Post-it® Notes, Post-it® Easel Pads & markers

01

Ask your students to read a novel or piece of literature with a critical eye.

02

Stick individual sheets from a Post-it Easel Pad on the walls. Pose a question or introduce an idea about the novel on each.

03

Have your students respond to each idea or question using one color of Post-it Notes.

04

Take a Gallery Walk to read the collection of ideas on each sheet.

05

Next, using a different colored set of Post-it Notes, encourage your students to respond to each other's ideas and add to the collection on the sheet.
