

# That's What Friends Do

Use Post-it® Notes to write messages of kindness to fellow students.

## Supplies Needed:

Post-it® Notes & markers pens or pencils

01

Have your students decide which classmate they want to tell something nice to.

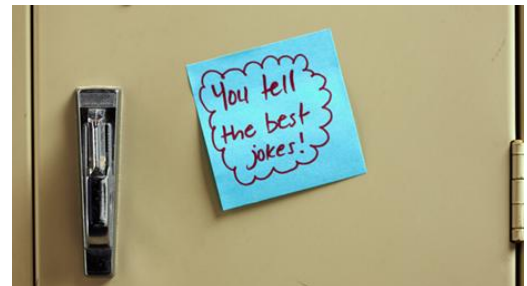

02

Student writes a nice thought or a thank you on the Post-it Notes. It really makes the kids feel good. These can be as simple as, "I like your shirt," "You are a good friend," or "Thanks for sticking up for me at lunch today."

03

Have your students deliver their message, either given while the receiving student is at their desk or if they prefer to remain anonymous, by sticking the Post-it Note to the desk.

04

Once everyone has delivered their message, take a moment to look around the room to make sure everyone is included. Encourage your students to write additional messages as needed.
